

# Sadiq School students exceed the national average on the Math & Reading Standardized Tests!!!!

Winter in Early Childhood Education classroom where our little ones made a model of Antarctica and learned about animals that live there!

# Sadiq School KG students celebrated Imam Ali's(as) birthday and made posters.

KG – 4<sup>th</sup> Grade Students love to design their posters and costumes for the Annual Reading Fair.

**Sadiq School students collaborate and learn math through hands-on activities.**

**We have many extracurricular clubs including Soccer, Quran, Performing Arts and Coding.**

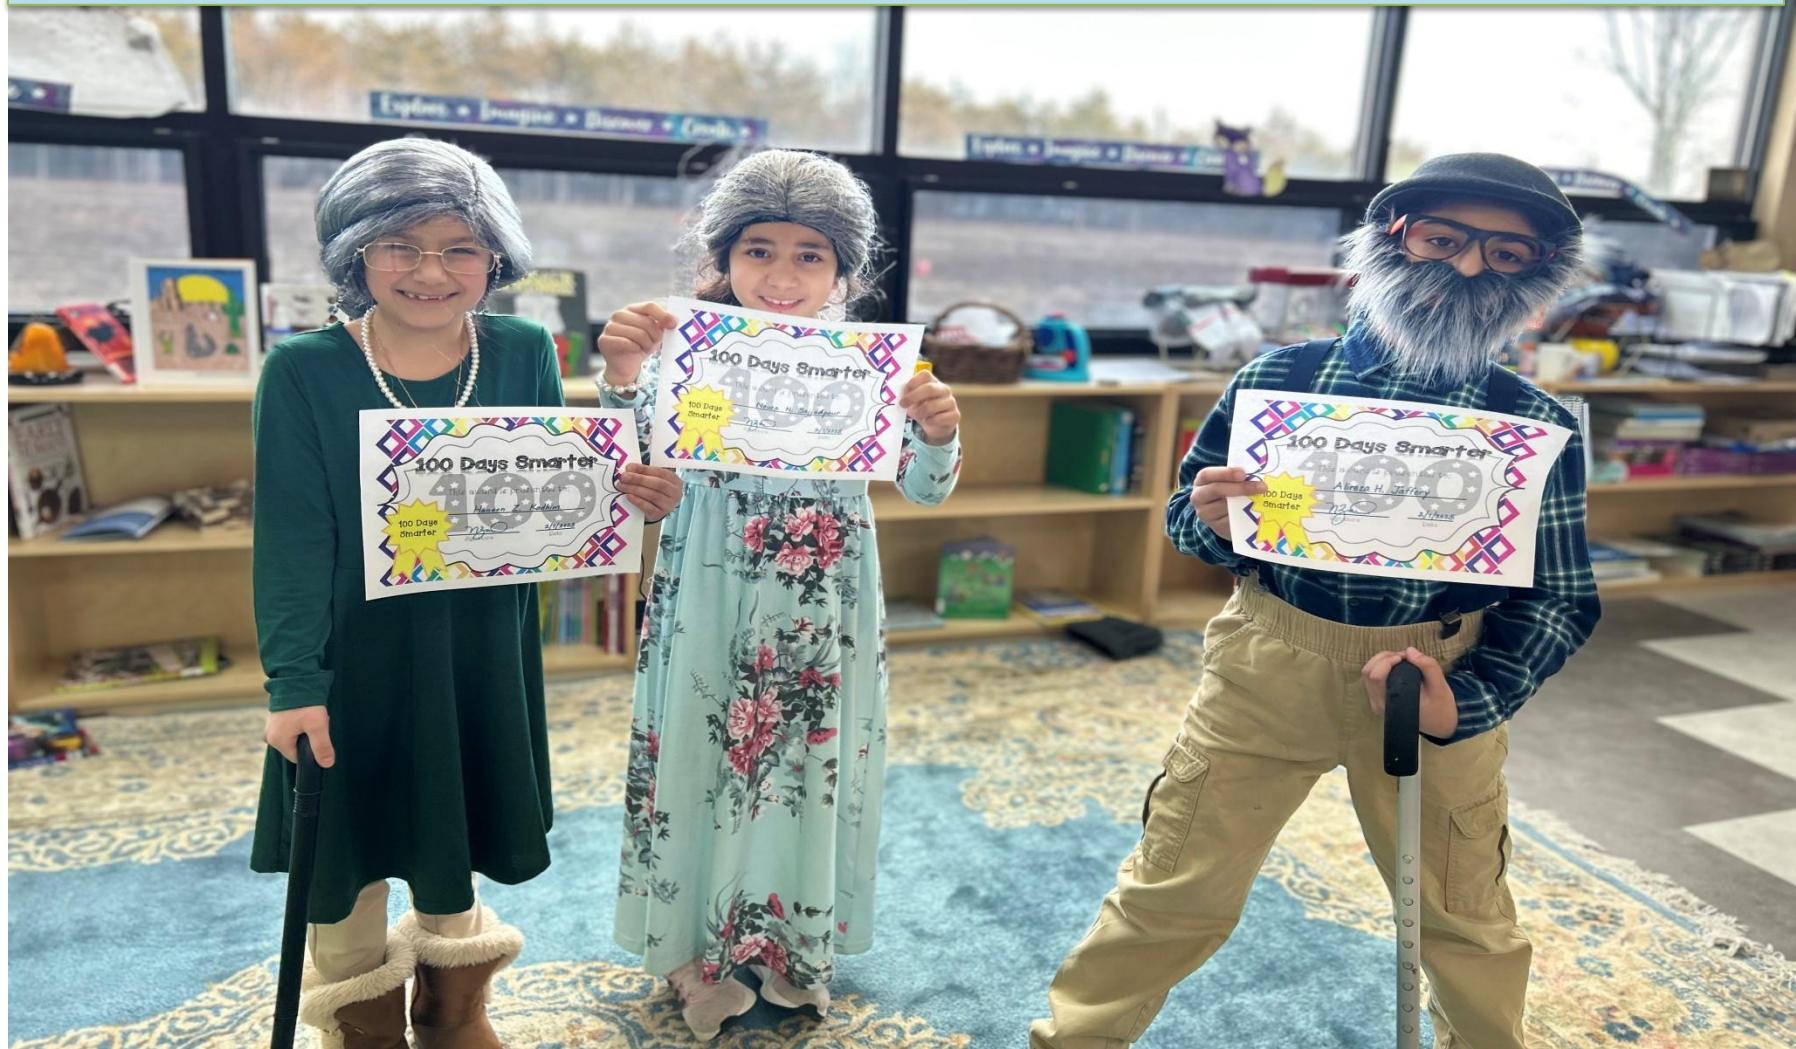

**Quran memorization club is held after school!**

**Sadiq School students celebrate culture day as part of their holistic academic and social growth.**

# Celebrating 100<sup>th</sup> day of school at Sadiq School!

# Sadiq School is the place to be:

- Focus is on academic excellence & holistic development.
- No child is turned away due to financial standing of their family.
- Students enjoy enriching experiences:
  - Reading Fair, STEAM Day, Mock Hajj, Earth Day, Culture Day, and Geography Day.
- Students do daily Zuhra/Asr prayer at school.
- Students enjoy extracurricular activities and after school clubs too.

**Registration is open for academic  
year 2025-2026**

**We are accepting applicants for  
Elementary KG – 5<sup>th</sup> Grade & Early  
Childhood Education (2.5 to under 5  
years old)**
